Description

The property comprises a former garden nursery which has been abandoned for many years, occupying a broadly rectangular shaped site of 3.24 hectares (8 acres).

It contains a run-down two bedroom detached bungalow and a semi-derelict detached house both of which date from the 1800's.

The land has a natural and gradual cross-fall from north to south, with southerly boundary adjoining a small water course.

Outline Planning Permission was granted on the 12th October 2015 for demolition of the existing bungalow and house and construction of new 3 and 4 bedroom units. Consent has previously been obtained for dwellings with footprints of 174 sq m /1872 sq ft (bungalow) and 308 sq m/3315 sq ft (house).

These consents relate to only part of the site (approximately 12%), with the remainder having potential for use as amenity land.

Location

Location is in Green Belt but adjacent to a modern housing estate immediately to the north-east and only 1.75 miles north-west of the town centre. It is conveniently placed for access to local shops, schools and bus routes.

The property is accessed via Leigh Lane from Oowlerbarrow Road, which itself leads directly off Walshaw Road within ¼ mile.

Elton High School lies on the opposite side of Leigh Lane to the north, whilst to the east is Elton Cricket Club. There are fishing lodges to the south on the opposite side of Elton Brook.
